Thomasville®
CONTRACT

Thomasville Contract is a renowned resource for quality crafted furniture.

Since 1904, creating fine furniture with craftsmanship you can see and quality you can depend on has been a Thomasville tradition, handed down from generation to generation.

Our dedication to quality and attention to detail assures you are purchasing the most durable contract furnishings available.

Bridges 2.0 brings together elements of traditional Shaker and contemporary style to create a design that celebrates both the past and the present. ♦

Bridges 2.0 Features and Benefits

- ◆ Bridges 2.0 is composed of hardwood solids and cherry veneers. You have your choice of two finishes.
- ◆ Drawer sides and backs are constructed of Baltic birch plywood, joined front and rear with English style dovetails.
- ◆ Tops are surfaced with custom matched high-pressure laminate and are lumber-banded.
- ◆ The extension drawer guides are epoxy-coated, ball-bearing, and side-mounted.
- ◆ The hardware is nickel finished.
- ◆ Back panels are recessed to allow space for electrical receptacles while the furniture remains flush to the wall.
- ◆ Five year limited warranty

We are confident in the durability and craftsmanship of our products – so confident that all Thomasville Contract furnishings are backed by an exclusive 5 year warranty.
